Onion Madder

I'm 'mad' because you sexually abused a man significantly younger than you and then accused him of rape

then isolated from all of his friends and kept talking to him for two years, and telling him you would protect him from anyone finding out

scamming multiple men simultaneously and ruining their lives for fun is gross but not a crime, not in the United States anyway

but sexual and emotional abuse is illegal everywhere, Madeline Sally Lee

Illustration of impact of false allegations
against me. 8/8/2024

I do not know this person and it was
sent to me.

Despite being summoned to a hearing on September 5th, Kellye has continued her pattern of harassment, defamation, and threats to a great number of my friends and to my parents as illustrated in attached documents.

This harassment is posing a significant threat to my safety, my daughter's safety, my parents' privacy, and my job security. If she goes further as she has clearly stated is her intent, I will possibly lose custody of my child.

She has not responded to being summoned to a hearing and the only thing that will stop her is ~~if~~ it she is formally sanctioned.

Likewise, the Indian authorities in Delhi are responding seriously to my petition against the other harassing party Kshitij Dhyani and I ask that you treat this petition with the same concern.

She has already admitted to swatting me with CPS and that she solely intends to "ruin my entire life" as stated in her attached Reddit post. This itself is a crime under MN statute 609.507 and should have been enough to grant an ex-parte motion against her.

This ongoing harassment has been traumatizing and relentless and is taking me away from my professional and parental duties. Please help me protect my child from this person who only wants to hurt us.

Texts between Madeline and Aravind Dinesh, who Kellye claims Madeline “raped” wherein he acknowledges he was the assailant and Madeline expresses forgiveness. November 2022-November 2023

I know you told me that you forgave me. I'm still unable to forgive myself. And.. I'm trying to punish myself for what I did. In the hopes of making my life ahead a bit... Bearable. I'm isolating myself from everyone and everything. I'm not doing things that I enjoy anymore.

It's like.. As if I'm in some sort of prison. Where I won't be able to things I like, food I like... Etc.

It probably sounds ridiculous to you, but it's the thing that's made the most sense to me in the past couple of months.

I don't use my phone a lot anymore. I just check work related messages at the end of the day. No social. No texting anyone. I don't even do small talks which I loved to do such anyone.

It's got nothing to do with you. It's got everything to do with what I did to you. I don't know how long this will go on.

If I could just go back and undo everything, I'd have done it a thousand times

12:50 PM

I know

12:50 PM ✓✓

I see that

12:51 PM ✓✓

You can't but it's as good as healed.

12:51 PM ✓✓

I feel so bad about your past visit

12:51 PM

I do too... I was so tired

12:51 PM ✓✓

I can feel the kind of terror you just have had when I sat next to you

12:51 PM

I just wanted you to know that you and memories with you still makes me happy

11:50 AM

And I know I've hurt you. I know you forgave me. I'm trying to forgive myself. I've been making a lot of changes in my everyday life now.

New meds. New routine, trying to eat as healthy as I can, proper sleep, trying to stay sober, going out for walks, soemthing more time with ikkili, still trying to read a book..

Sometimes I feel like returning online. But it can wait I guess.
